1 Introduction

1.1 Protection and Rescue Directorate

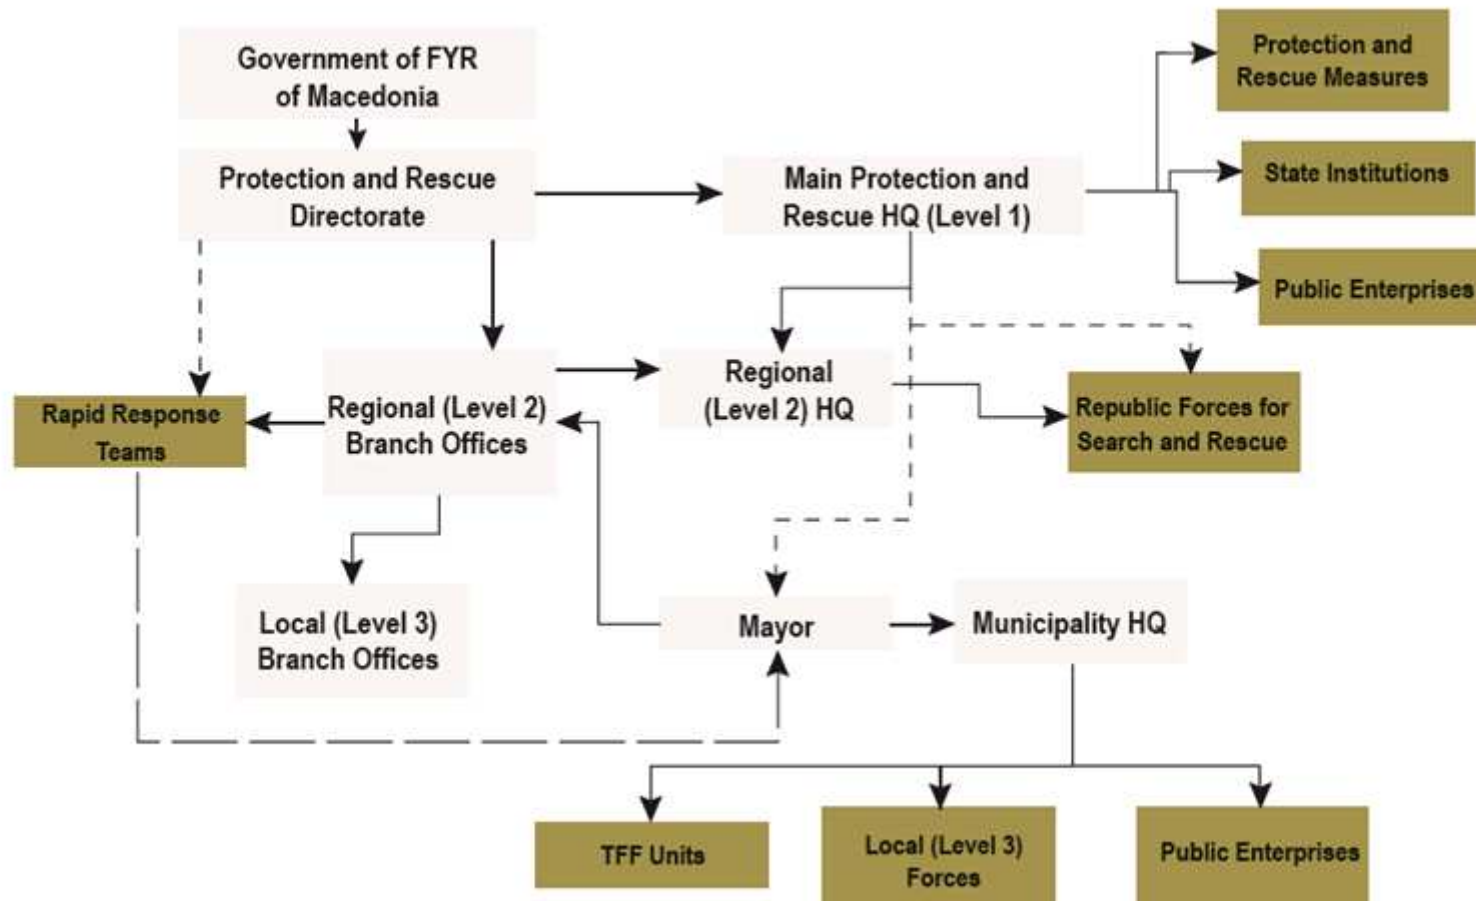

Protection and Rescue Directorate is independent governmental organization since 16/05/2005. Previously, it was part of Ministry of Defence (Civil Protection Sector).

Legal framework

- Constitution of the Republic of Macedonia;
- National Security and Defence Strategy;
- Protection and Rescue Law;
- Firefighting Law.

In the last 8 years the Protection and Rescue Directorate has completed the national legislation framework with all the strategic documents. Today Republic of Macedonia has:

Example Macedonia

Working on the Equipment List
