

# **UNION CIVIL PROTECTION MECHANISM EXERCISE – 2015 CALL FOR PROPOSALS**

**Project title :  
North Eastern Italy Flood Exercise  
(NEIFLEX)**

# **AGREEMENT NUMBER ECHO/SUB/20151719076**

- The Commission has decided to award a grant, under the terms and conditions set out in the Special Conditions, the General Conditions and the other Annexes to the Agreement, for the action entitled **North Eastern Italy Flood Exercise - NEIFLEX**

# Consortium NEIFLEX

## Coordinating beneficiary

Presidency of the Council of Ministers, Italian Civil Protection Department (ICPD)

## Associated beneficiary

Austrian Federal Ministry of the Interior, Department II/13, Operations, Crisis and Disaster Coordination (BM.I)

Direction Générale de la Sécurité Civile et de la Gestion des Crises (DGSCGC)

Administration of the Republic of Slovenia for Civil Protection and Disaster Relief (ACPDR)

Ministry of the Interior Directorate for Emergency Management of Montenegro (MUP DVS)

Sector for Emergency Management, Ministry of Interior of Serbia

# General Overview

The action shall run for **24 months** - 01/01/2016 the starting date

Eligible costs of the action are estimated at **EUR 1.194.687**

**EUR 999.687** reimbursement of 83,6%

NEIFLEX is based on a scenario that foresees a flooding of three major river systems in the north eastern Italy: the Livenza, the Tagliamento and the Isonzo rivers.

## Expected results 1/2

- Improved knowledge on common standards(i.e. communication systems, operations, etc.);
- Enhanced operational cooperation and interoperability of the Union Civil Protection Mechanism Water rescue (HCP, FRB..... ) modules;
- Enhanced Host Nation Support SOPs at both national and local levels;
- Increased opportunities of sharing experiences, working methods and reinforced civil protection experts community across EU national boundaries;
- Increased co-operation among EU Member and Participating States in the field of civil protection, through learning from difficulties and problems experienced during the exercise

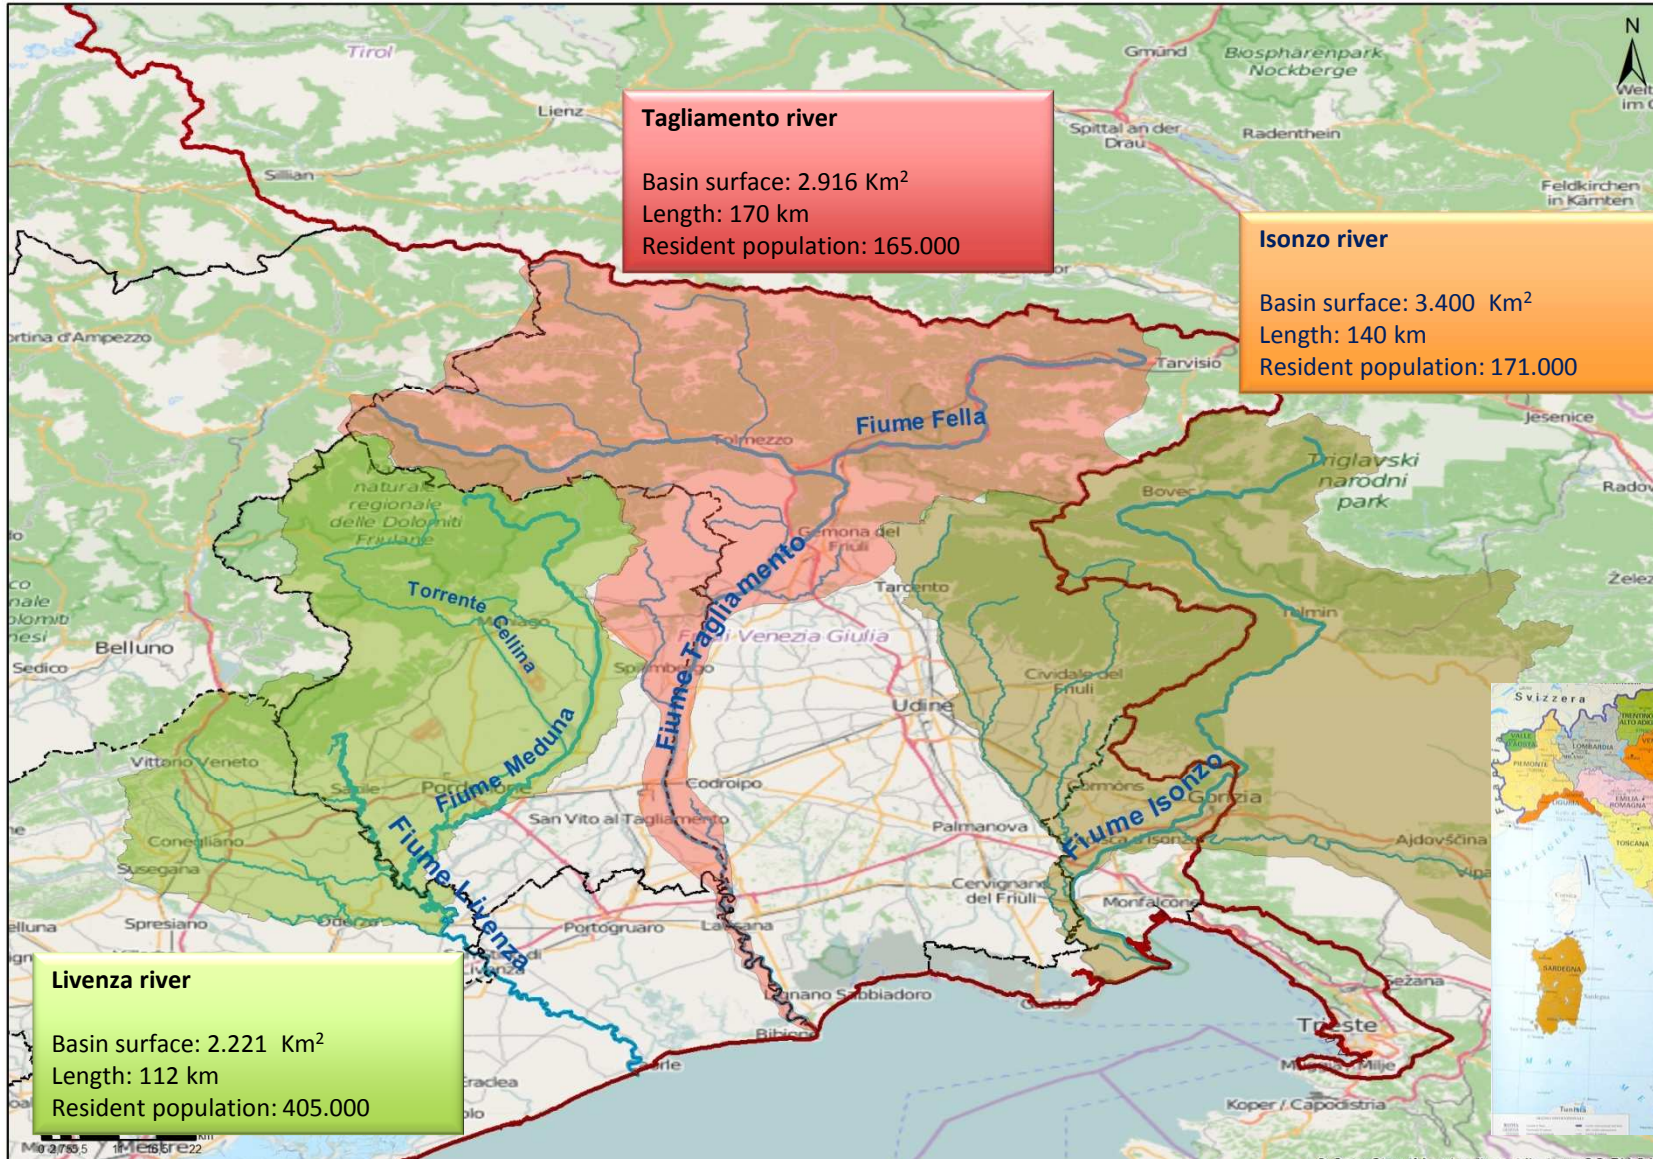

## Expected results 2/2

- Enhanced public awareness among the population on floods risk;
- Integrated Regional Civil protection emergency response resources in the international/ national response;
- Enhanced cooperation among Friuli Venezia Giulia, Veneto and the neighboring Regions
